

## The Harry & Clare Friday Foundation

The Harry & Clare Friday Foundation is a charitable trust established in 2007 in loving memory of Harry & Clare Friday.

The Friday Foundation is committed to:

- Raising \$2 million by 2015 to invest in health services for the Mansfield District.
- Working in partnership with the Mansfield District to achieve its vision for the future of healthcare facilities in Mansfield.

*Harry & Clare Friday  
In loving memory*

The Harry & Clare Friday Foundation honours the love and affection of Harry Grosvenor Friday (1910 – 2006) for his wife Clara Annie Friday, (1904 – 1994) while helping the community of which they were so much a part.

## Our commitment

The Harry & Clare Friday Foundation will provide funds, fundraising support and investment for the benefit of health services in the Mansfield District.

### 1. Pledged funds

Chris Friday has pledged \$500,000 which has enabled the establishment and ongoing development of the Harry & Clare Friday Foundation.

### 2. Fundraising

The Foundation will work to provide opportunities, encouragement and support for fundraising by individuals and community groups.

## Making your dollar go further

### 3. Matching funding

The Friday Foundation will match community fundraising dollar for dollar, making your fundraising efforts go twice as far.

### 4. Investment

The Foundation will invest all bequests and donations until required by the nominated community health service, thereby increasing available funds. Donors may nominate the eligible health care service they wish to support.

### 5. Disbursements

The Foundation disburses funds to support priority projects identified by the governing bodies of Mansfield District health care organisations which have deductible gift recipient status. These organisations include Mansfield District Hospital (incorporating Bindaree and Buckland House), Beolite Village, the Autistic Centre and Yooralla Mansfield (formerly Central Access).

A free and confidential advisory service is available to help you plan your bequest.

## How can you help?

All donations are encouraged and are highly valued by the Harry & Clare Friday Foundation. It is only through the support of the entire community that the Mansfield District will be able to achieve its vision for the future of healthcare facilities in Mansfield.

All donations are tax-deductible.

### 1. Pledges

You can support health services in the Mansfield District as a Foundation Member, Associate, Governor or Patron.

Your pledge may be paid in installments over a period of time (usually for five years).

### 2. Major Gifts

A gift of money may be made towards any nominated project.

Naming Rights for specific projects will be considered.

### 3. Bequests

A free and confidential advisory service is available to help you plan your bequest.

The Friday Foundation would like to acknowledge your bequest in your lifetime and will make arrangements to ensure your bequest is allocated to projects that reflect your intent.

### 4. Annual Giving

Individuals and community groups are invited to adopt a project each year, with fundraising targets.

Your efforts will be doubled through the Friday Foundation commitment to match community fundraising dollar for dollar.
